DIFFERENTIATORS
- Each and every Dramatic Solutions training program is **customized** as it unfolds to meet the specific needs, interests and cultural milieu of individual client organizations.
- Dramatic Solutions’ creative team conducts a thorough **assessment** before beginning the training program.
- We **research and interview** our clients to gather information about organizational culture, roles and responsibilities and other issues relevant to the training focus.
- Information gathered in the assessment process serves as the foundation for content material, and development of all Dramatic Situations™ and Dramatic Engagers™.
- The exclusive Dramatic Situations™ and Dramatic Engagers™ have participants highly engaged to **learn-by-doing** and practice life like scenarios that instantly impact learning and performance.
